City News in Brief

Messrs. Williams, Reid and Hendry, members of the Lyric Quartet, which gave a program in the high school auditorium Friday night, yesterday returned to the city, having been forced back by the temporary annulment of trains over the Tex-Mex railroad.

That it rained 10.58 inches at Victoria Friday night, and that it was still pouring down pitchforks and tar barrels, with no sign of a let up, was the news received at ten o'clock yesterday morning by Judge E. P. Scott. From his home T. M. Scott, Mr. Scott informed his father that at that time 10 a.m. the Guadalupe river had risen 23 feet, that the gauge stood but 4 feet below the high water mark and that the river was rising steadily at that hour. He said that reports from around Victoria indicated the severest case in the history of most inhabitants, and that creeks and gulches were veritable torrents of water, inundating the lowlands for miles.

There will be a regular meeting of the Parent-Teachers' Association of the David Bressach school on Wednesday afternoon at 4:30 o'clock. All interested in the welfare of children are invited to attend.

Corpus Christi Hive No. 9, Ladies of the Magdalene of the World, will meet Tuesday afternoon at 4:30 o'clock at the Odd Fellows Hall. All members are requested to attend, as business of importance will be transacted. Visiting members of the order are welcome at the meeting.

One case was tried yesterday morning in the corporation court when Henry Young and William Wimberly were arraigned before Judge Kramer on charges of attorney. Both pleaded guilty, and were each fined \$1 and costs.

"Circulate Your Money" is the object of a unique window display in the office of the Corpus Christi Railway Company, where an improvised "vase" has been made of wire netting containing 10 bolts like, more \$1 bills than the average man has had in circulation. But that is because the money is in circulation, circulated by two electric fans, which from bottom to top move money around from one corner of the cage to the other, back and forth ever changing. The effect of the display of course, is to show the public how much could be accomplished in getting money in circulation even if such persons only circulated it as typified in the exhibit.

Born yesterday afternoon to Mr. and Mrs. Grover C. Hunt 221 South Carroll street, a 14-pound boy. Manager Nix of the Nunes Hotel announced a Halloween dinner dance for the night of October 30th, at seven o'clock. The ball room of the hotel will be used in connection with the dining room where plates for seventy five have been arranged for.
